

From Goodland.

The continued cold nights greatly retard rapid growth.

We have had no rain for some time. Farmers are cutting their wheat and grass.

G. G. Adams has had a very sick mule. It is now in a fair way to recover, while G. G. himself is enjoying a season of mumps.

Oecil Larue is recovering from a severe attack of mumps.

Little Glen Mayfield cut his foot badly on a piece of glass.

Randolph Adams has gone to Columbia to school this summer.

Clifford Adams is getting over the mumps.

We learn with sorrow that Mrs. Martha Williams of Flat River was lately seriously injured by a street car in St. Louis. Mrs. W. lived many years at Goodland.

Married—Sunday, June 20, at Redmondville, by Wm. Vandill, Esquire, Mr. Charles Henson and Mrs. Alice Whittaker, both of Goodland.

A second little daughter was born to Mr. and Mrs. Will Black of Mullin, Nebraska. Mrs. Black is spending the summer with her parents at Redmondville.

I. N. Eaton of Crawford county spent the week-end at Goodland with his sisters, Mrs. F. M. Adams and Ella Eaton.

Died, June 22, at Goodland, at the home of his brother, John, Uriah J. Mayfield, better known as Little Hugh, aged 61 years. Hugh had always lived at Goodland. He was a dwarf, not taller than an eight year old boy. He was a member of the Christian church and lived a life of piety.

Lewis Brooks is the proud owner of a fine young horse.

Sawmilling and hauling are rather at a standstill during crop time.

Catarrhal Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflammation of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced, and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Medicine acts thru the blood on the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All Druggists, 75c.

In Memoriam.

Miss Catharine C. Dammann was born at Iron Mountain, Mo., March 2, 1862, and died in St. Louis, June 20th, 1920, aged 58 years, three months and 20 days. She was married to George A. Withman at Graniteville, Mo., in 1888. She leaves to mourn her departure, her husband and three children, Henry, Louis, and Emma, all of St. Louis, and four brothers, Henry Dammann, of Wichita, Kan., Andrew Dammann and John Dammann, both of Bellevue, Mo., and four sisters, Mrs. Lena Snadell, of St. Louis, Mrs. Albert Kimpton, Wichita, Kan., Mrs. Will Matson, St. Cloud, Minn., and Mrs. Ralph Fay of Wichita, Kan.; also three grandchildren. She moved from Graniteville to St. Louis about 20 years ago.

She was an affectionate wife and mother, and leaves to mourn her departure a host of friends besides those mentioned above. A good woman has gone to that bourn from whence none has ever yet returned. A vacancy is made in the home that cannot be filled. But the loss of her loved ones is her eternal gain. She was a consistent member of the Lutheran church and lived a consistent Christian life for many years. The spirit of this good woman is now basking in the sunlight of God's love. There shall be no more parting nor sad heart aches. The Lord has been her shepherd, she has past thru the valley and now she is at rest. May the God of all grace comfort and cheer those who are bereaved.

The remains were shipped to Ironton and buried in the family burying ground near Brule, Mo.

The final services were conducted by Rev. R. W. Stanfield, pastor of the Ironton Presbyterian Church, at the grave in the presence of a large company of sympathizing friends.

Warm and Cool Colors.

The warm or advancing colors, which arouse the senses quickly, are those having yellow or red predominating, as yellow green, yellow orange, orange, red orange, red and red violet. The cool or receding colors, which soothe the nerve senses, are blue and the colors in which blue predominates, as blue green, green violet and blue violet. They are called cool colors because of their association with water, ice and the sky.

IF WOMEN ONLY KNEW

What a Heap of Happiness It Would Bring to Ironton Homes.

Hard to do housework with an aching back. Brings you hours of misery at leisure or at work.

If women only knew the cause—that

Backache pains often come from weak kidneys,

Twould save much needless woe.

Doan's Kidney Pills are for weak kidneys.

Many residents of this vicinity endorse them. Ask your neighbor!

Mrs. H. J. Kennedy, Flat River, Mo., says: "I had kidney complaint and suffered a lot with my back. I couldn't rest at night and in the morning got up feeling dull and worn out. The least work tired me and I had rheumatic twinges through my limbs and joints. My kidneys acted irregularly and I suffered from dizzy headaches, too. Doan's Kidney Pills rid me of all the trouble and made me feel better in every way."

Price, 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Kennedy had. J. Foster-Milbur Co., Mfrs., Buffalo, N. Y.—Adv.

Pain

Here is a message to suffering women, from Mrs. Kathryn Edwards, of R. F. D. 4, Washington Court House, Ohio. "I am glad to tell, and have told many women, what I suffered before I knew of Cardui and the great benefit to be derived from this remedy. A few years ago I became practically helpless..."

TAKE

Card-u-i

The Woman's Tonic

"I was very weak," Mrs. Edwards goes on to say, "and could not stoop without suffering great pain... Nothing seemed to help me until I heard of Cardui and began the use of it... I gradually gained my strength... I am now able to do all my work." If you need a tonic take Cardui. It is for women. It acts gently and reliably and will probably help you as it helped this lady.

THE UNIVERSAL CAR

The Ford car can well be called the "people's car," because there are more than 3,000,000 of them in daily operation. That is about four to one of the nearest follower in the motor car industry. This would not be so if the Ford car had not for sixteen years proven its superiority in service, in durability, and in the low cost for operation and maintenance; this would not be so if the Ford car was not so easy to understand, so simple in construction that anybody and everybody can safely drive it.
